

673 Dato Ibrahim Road

Penang

29th May, 1928.

The Director of Gardens, S.S.
Singapore.

Dear Sir,

Your letter of the 15th numbered 2348
arrived on the 1st instant.

With regard to the fern I am sure
I know the place, but I do not know whether
it has been cleared off the ground, because
they were found on a big rock very near to
Beretline. I shall let you know the result as
soon as possible.

Yours sincerely

W. H. H. H.

Penang.

May 1928

The Director of Gardens, S.S.
Singapore.

Dear Sir,

I went up the hill yesterday and got
the plants of *Photinopteris drynarioides*. They
have been handed over to Mr. Abdul Kadir

My expences for the journey is \$1-24cts.

I beg to remain
Sir,

Your obedient servant
M. Haniff

Dear Holttum

I will pay this to Haniff. As mentioned
in a previous memo. Material (live) has
been despatched to Dr. Gaebel. We have
planted some at the Fern Rockery.

Yours sincerely,

J. H. Hippner
